

## INSURGENCY IN NORTH EAST

Language/ethnicity, tribal rivalry, migration, control over local resources and a widespread feeling of exploitation and alienation have resulted in violence and diverse demands by various Indian Insurgent Groups (IIGs). The demands vary from sovereignty in some cases to independent State or Homeland or simply better conditions for ethnic groups they claim to represent. The underground outfits indulge in violent and terror activities and intimidate people with arms in order to achieve their objectives /demands. They maintain cross-border links, procure arms, recruit and train their cadres, and indulge in unlawful activities such as damaging of public properties, bomb explosions, extortions, killing of innocent civilians, Security Forces Personnel, attacks on/abduction of Government employees, politicians, and businessmen.
