(vi)	Reimbursement of amount to the State Government by the Ministry of Home Affairs.	By 31.5.2006

2. The above deadlines could not be adhered to for the reason that the State Governments could not be complete the action.

3. Your kind attention is also drawn to my Statement made in Rajya Sabha on 14.12.2009 in reply to the Calling Attention Notice regarding the progress of implementation of the said Package in which I had given an Assurance to the House that the pending claims with various State Governments would be disposed of before March 31, 2010 and the eligible claimants will be disbursed enhanced ex-gratia for death, injury, damaged residential, uninsured commercial/ industrial properties and rehabilitation grant. Accordingly, I wrote to you on 30.12.2009 requesting you to direct your officers to complete the action for disposing of the pending claims by March 31, 2010. This was followed by various review meetings held by the officers of this Ministry with your State Government.

4. It has been brought to my notice that still some claims are pending with the State Government. I think it is possible to finalize the pending claims after obtaining suitable orders from the Hon'ble court(s) or after verification of claims, as the case may be. Considering all the aspects, it has been decided that scheme would be closed by 30.6.2012 and all pending claims must be settled before that date. This is for your kind information and appropriate action.

With regards,

Yours sincerely,

(P.Chidambaram)
